

PUBLIC NOTICE

N.C. DEPARTMENT OF ENVIRONMENT AND NATURAL RESOURCES

Division of Energy, Mineral and Land Resources

The state Division of Energy, Mineral and Land Resources hereby invites public comment on draft permit modifications to Green Meadow LLC's state mining permit #53-05 for the Colon Mine in Lee County located five miles southeast of the City of Sanford off Brickyard Rd. and state mining permit #19-25 for the Brickhaven No. 2 Mine Tract "A" in Chatham County located six miles south of Moncure off of Moncure-Flatwood Rd. The public comment period begins March 23, 2015 and ends May 16, 2015.

Authority: NCGS 74-51; NCAC Title 15, Chapter 5 Subchapter 5B, Section .0011; NCGS 130A Part 2I Coal Ash Management Act 2014

Comment Procedure: Only comments that relate directly to the seven denial criteria listed under NCGS 74-51 of The Mining Act of 1971 will be considered in the department's decision to grant or deny modifications to the existing mining permits. All public comments received by May 16, 2015 will be considered in determining the final modified permits. Public comments may be submitted electronically by sending an email to publiccomments@ncdenr.gov. Please include "DEMLR" and the name of the mine in the subject line. Comments may also be mailed to:

Mining Program
NCDENR/Division of Energy, Mineral and Land Resources
1612 Mail Service Center
Raleigh, NC 27699-1612

More information: A copy of the mining permit modification applications, corresponding maps and a fact sheet are available online at <http://portal.ncdenr.org/web/guest/coal-ash-disposal>. The Mining Act of 1971 is available online at <http://goo.gl/9Uhjvt>. Additional information concerning this public comment period may be obtained by emailing Janet.Boyer@ncdenr.gov.

Division of Waste Management

The state Division of Waste Management hereby invites public comment on draft permits developed in response to Charah Inc. and Green Meadow LLC applications for two new coal combustion products structural fills. The Colon Mine structural fill is located in Lee County, five miles southeast of the City of Sanford off of Brickyard Rd. The Brickhaven No. 2 Mine Tract "A" is located in Chatham County, six miles south of Moncure off of Moncure-Flatwood Rd. The public comment period for the Lee County location, draft permit #5306-STRUCT-2015, and the Chatham County location, draft permit #1910-STRUCT-2015, begins March 23, 2015 and ends May 16, 2015.

Authority: NCGS 130A Part 2I Coal Ash Management Act

More information: A copy of the draft permits, permit applications and corresponding maps are available online at <http://portal.ncdenr.org/web/guest/coal-ash-disposal>. Additional information concerning this public comment period may be obtained by emailing Ed.Mussler@ncdenr.gov.

Comment Procedure: Comments should reference permit #5306-STRUCT-2015 (Colon Mine) and/or #1910-STRUCT-2015 (Brickhaven Mine). All public comments received by May 16, 2015 will be considered in the determining the final permits. Public comments may be submitted electronically by

sending an email to publiccomments@ncdenr.gov. Please include "DWM" and the name of the mine in the subject line. Comments may also be mailed to:

Solid Waste Section Permitting Branch
NCDENR/Division of Waste Management
1646 Mail Service Center
Raleigh, NC 27699-1646

PUBLIC HEARINGS

Public hearings to receive comments on all the aforementioned permits will be held April 13 from 6-9 p.m. at the Dennis A. Wicker Center, 1801 Nash St., Sanford and April 16 from 6-9 p.m. at the Chatham County Historic Courthouse, 9 Hillsboro St., Pittsboro.
